Number of years	Points
At least 3 but less than 5 years	10
At least 5 but less than 8 years	15
At least 8 years	20

- You can only claim points for employment if the employment was in your nominated skilled occupation or a closely related skilled occupation; and you were employed for the relevant periods set out in the table, in the 10 years before you are invited to apply.
- For any Australian employment you must have held a substantive visa or a Bridging A ([/visas/getting-a-visa/visa-listing/bridging-visa-a-010](#)) or Bridging B ([/visas/getting-a-visa/visa-listing/bridging-visa-b-020](#)) visa and complied with the conditions of that visa to be eligible for points.

Employed means engaged in an occupation for remuneration for at least 20 hours a week.

Closely-related occupations must be:

- in the same ANZSCO Unit Group or
- consistent with a career advancement pathway or
- recognised by an assessing authority that it is closely related to your nominated occupation, as part of your skills assessment

Under the points test there is a cap on the number of points that can be awarded for employment experience. The maximum number of points that can be awarded is 20, this means that even if you score more than 20 combined points for your employment experience only 20 points will be awarded.

Educational qualifications

Requirement	Points
A Doctorate from an Australian educational institution or a Doctorate from another educational institution, that is of a <u>recognised standard</u> .	20
At least a Bachelor degree from an Australian educational institution or at least a Bachelor qualification, from another educational institution, that is of a <u>recognised standard</u> .	15
A diploma or trade qualification from an Australian educational institution.	10
Attained a qualification or award recognised by the relevant assessing authority for your nominated skilled occupation as being suitable for that occupation	10

For points based migration you will receive points for your highest qualification only.

Recognition of your qualifications

The authority undertaking your skills assessment may determine if your qualifications are comparable to the relevant Australian qualification. Assessing authorities are listed against your occupation in the relevant list of [eligible skilled occupations \(/visas/working-in-australia/skill-occupation-list\)](#). You must have obtained this recognition at the time you are invited to apply for a visa.

If you hold an overseas qualification at bachelor level or above and your skills assessing authority did not offer an opinion on that qualification then it is open to you to contact Vocational Education Training and Assessment Services (VETASSESS) for advice.

VETASSESS can provide an assessment of the comparative educational level of these qualifications against the Australian Qualifications Framework (AQF). Advice from VETASSESS should be provided with your application to support your claim for these points.

To obtain an assessment contact [Vocational Education Training and Assessment Services](#) (<https://www.vetassess.com.au/>).

Doctoral requirements (PhD)

You can only be awarded points for a doctoral degree if you have completed a qualification at the relevant level, that is, a Doctor of Philosophy (PhD). You cannot claim these points for the award of other qualifications that give you the right to use to the title of Doctor (that is, general practitioner, dentist, vet).

Specialist education qualification

Requirement	Points
A Masters degree by research or a Doctorate degree from an Australian educational institution that included at least 2 academic years study (/visas/getting-a-visa/visa-listing/skilled-nominated-190/australian-study-requirement) in a relevant field.	5

The postgraduate degree by research (doctorate or masters) must be awarded from an Australian education institution after at least two academic years of study in the following science, technology, engineering, mathematics or specified information and communication technology (ICT) fields:

Natural and physical sciences

- biological sciences
- chemical sciences
- earth sciences
- mathematical sciences
- natural and physical sciences
- other natural and physical sciences

 - [Engineers Australia \(http://www.eeaust.com.au/\)](http://www.eeaust.com.au/).

Credentialed community language

Requirement	Points
Hold a recognised qualification in a credentialed community language	5

To be credentialed in a community language and eligible for the award of points you must have been accredited at the paraprofessional level or above, certified at the certified provisional level or above, or have a community language credential for interpreting or translating by the [National Accreditation Authority for Translators and Interpreters](http://www.naati.com.au/) (<http://www.naati.com.au/>).

Study in regional Australia

Requirement	Points
You must have at least 1 degree, diploma or trade qualification from an Australian educational institution that satisfies the Australian study requirement (/visas/getting-a-visa/visa-listing/skilled-nominated-190/australian-study-requirement) obtained while living and studying in an eligible area of regional Australia	5

To be eligible for the award of points your educational qualification:

- must meet the [Australian study requirement](/visas/getting-a-visa/visa-listing/skilled-nominated-190/australian-study-requirement) (</visas/getting-a-visa/visa-listing/skilled-nominated-190/australian-study-requirement>)
- have been obtained while you lived in, and studied at a campus in, one or more of the areas listed as [regional Australia](/visas/getting-a-visa/visa-listing/skilled-nominated-190/regional-post-codes) or a low population-growth metropolitan area (</visas/getting-a-visa/visa-listing/skilled-nominated-190/regional-post-codes>)
- not include study undertaken by distance education

Partner skills

Requirement	Points
Your <u>spouse</u> or <u>de facto</u> partner must also be an applicant for this visa and meet age, English and skill criteria	5

For you to be eligible for the award of these points your partner must be an applicant for the same visa subclass and must not be an Australian permanent resident or an Australian citizen. Additionally, you will need to provide evidence that when you were invited to apply for this visa that they:

- were under 45 years old
- had [competent English](/help-support/meeting-our-requirements/english-language/competent-english) (</help-support/meeting-our-requirements/english-language/competent-english>)
- had nominated a skilled occupation that is on the same skilled occupation list as your nominated skilled occupation
- had a suitable skills assessment from the relevant assessing authority for their nominated skilled occupation, and the assessment wasn't for a Subclass 485 visa.

Nomination

Requirement	Points
You were invited to apply for a Subclass 190 (Skilled – Nominated) visa and the nominating State or Territory government agency has not withdrawn the nomination	5

You must be nominated to be invited to apply for this visa. Provided your nomination remains in effect, you may be eligible for the award of these points.
